Tournament Sponsorship Opportunities

The Ames Contractor Council (ACC) is a non-profit (501)(c)(4) organization whose membership consists of representatives from the contractor companies performing work at NASA Ames Research Center, Moffett Field, California. The ACC focuses on maintaining open lines of communication between Ames Center Management and contractor site managers and representatives. Interested in developing contractor hidden potential, the ACC conducts several annual and special events to raise awareness of this organization's value to the Ames Community. Proceeds from this event goes toward grants for local schools and programs that support science, engineering, mathematics, space exploration, robotics programs, etc.
