

MEMBERSHIP INFORMATION

Open to site managers (or their delegates) for on-site support service contracts at NASA Ames Research Center and NASA Research Park Partners (one voting member per contract).

MEETING INFORMATION

We meet the first Wednesday of each month at 11:00am in Building 200, Jack Boyd Committee Room. Our meetings are an excellent forum to raise issues that affect the contractor community. All monthly meetings include a briefing from Center Management. Each month, we host guest presentations from key Center managers.

AMES CONTRACTOR COUNCIL

Benefitting the Ames Community

MISSION AND PHILOSOPHY

The Ames Contractor Council (ACC) strives to improve the productivity and enhance the quality of Contractors' services and products for the overall success of the Ames Research Center. The ACC focuses on maintaining open lines of communication between Ames Center Management and Contractor site managers and representatives.

The Ames Contractor Council (ACC) is a non-profit (501)(c)(4) organization whose membership consists of representatives from the Contractor companies performing work at NASA Ames Research Center, Moffett Field, California.

We strive to benefit the general Ames and surrounding local communities by providing financial resources in support of education, outreach, and the overall NASA mission.

FUNDRAISING AND RECOGNITION

The ACC conducts several annual and special events to raise awareness of this organization's value to the Ames Community.
